

Air Humidification When you need humidity!

Walter Meier is involved in the sectors of air humidification and air purification all over the world and focuses its activities on the **HVAC-market**.

The **techniques of Walter Meier** comprises all methods of humidification, like: *Vaporization, Evaporation and Atomization*.

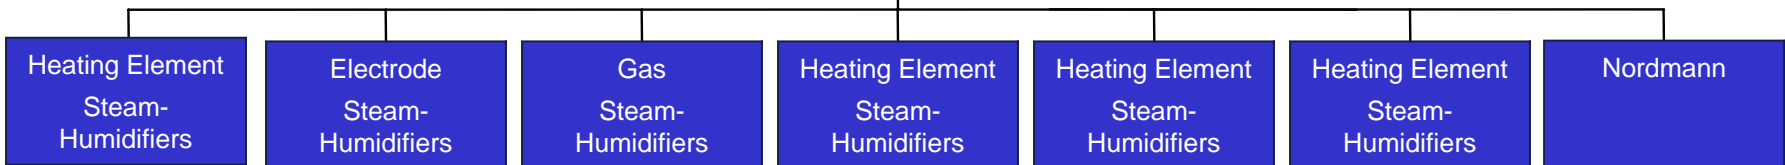

Based on the know-how of this systems **Walter Meier develops, produces and distributes** innovative and market oriented products for all customer needs.

Today and in the future, under the requirements of performance, hygiene and efficiency, **Walter Meier aim at the optimum solution for all applications**.

Walter Meier is ISO 9001; 2000 certified.

in HVAC (Heating, Ventilation, Air Conditioning):

HVAC UNITS

Defensor MK5

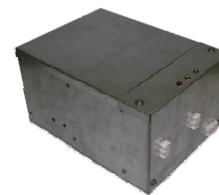

Condair CP3

Condair GS

Condair CH

Condair DH

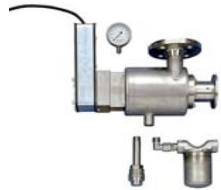

Condair CS

Nordmann AT 3000

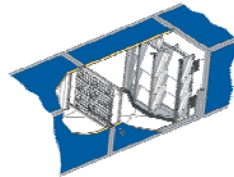

HVAC SYSTEMS

Livesteam

Condair ESCO

Hybridsystem

Condair Dual

HP-
Nozzlesystem

Condair FF

Evaporative
humidifiers

Condair SH2

In Industry and Comfort:

Industry

Mobile Atomizer

Wall-Atomizer

Defensor 505/3001

Defensor ABS

Comfort

Defensor PH
